

THE NFK CREED

FOR THE POWER
FOR THE PROTECTION
FOR THE DESTINY
FOR THE PRIDE

The power of our faith will give us the ability to use our practices and beliefs to live happy lives.

The protection of our gods will grant us security in our decisions, choices, and action within our lives.

The destiny that each of us chase will display examples of hard work, dedication, good lives, and healthy practices.

The pride we carry with our faith will be shown in our successes and victories as individuals, and as kindred.

Hail!
